

# Caring. Careers.

## Mental Health Counselor Role

The mental health counselor (MHC) plays a vital role as part of our multi-disciplinary treatment team. MHCs provide direct care and support not only to our patients but also to their families and make decisions that impact the lives of their team members, patients and communities.

This role can be an entry level position for someone who is looking to start a career in behavioral health. It is also a role for experienced counselors who are looking to expand their expertise in psychiatric care and take a leadership role.

## Benefits

- Health Dental & Life Insurance
- Paid Time Off (PTO)
- Tuition Reimbursement
- Continuing Education Reimbursement
- Employee Assistance Program (EAP)
- Long-term and short-term disability
- Competitive compensation including shift differentials

## Beyond Benefits

- Tenured leadership grown from within the organization
- State-of-the-art facility with an exceptional work environment
- Comprehensive training, orientation & apprentice-style learning
- Ongoing in-house learning & career development opportunities
- Collaborative, team-based approach across all levels
- Small enough to make your unique contribution big enough to grow professionally

## Hiring Now

- Child, Adolescent & Adult Programs
- Full & Part-Time Positions
- Day, Evening & Night Shifts
- Per Diem Opportunites
